Choice of Meals & Dietary Requirements

Dundee, Angus and Perth & Kinross Councils' Education Departments in partnership with Tayside Contracts offer a great choice of meals for primary pupils. The varied school lunch menu meets all the nutritional standards set by the Scottish Government.

MY CHILD HAS A DIETARY REQUIREMENT, CAN THEY HAVE SCHOOL LUNCHES?

Adapted menus can be provided for children on medically prescribed diets to treat a specific condition, allergies or intolerances to any of the 14 main allergens. An adapted menu is based on the current school menu, excludes items to which a pupil is intolerant/allergic, and adapts recipes for menu options where possible. Please note that this does not mean we can provide specialist items specific to your child, we can only adapt the menu using products from our supply chain.

As there are no nuts, peanuts or sesame seeds in any dishes on the menu, Tayside Contracts does not provide adapted menus for nut, peanut or sesame seed allergies. All products with a 'may contain' declaration for nuts, peanuts and sesame seeds are highlighted on the menu with the appropriate icon.

Please refer to the Tayside Contracts website for allergen, nutrition and recipe information.

HOW DO I MAKE THESE ARRANGEMENTS FOR MY CHILD?

Adapted Menu Request Forms can be found on the Tayside Contracts School Catering web page: www.tayside-contracts.co.uk/catering/school-catering

A copy of any medical confirmation from a health professional which details your child's allergens/intolerances, should be provided where possible.
